SECTION 00102

PRE-PROPOSAL CONFERENCE/SITE VISITATION
AM #0001

PART 1 GENERAL

1.1 PRE-PROPOSAL CONFERENCE/SITE VISITATION

Invitation is extended to all prospective offerors to attend a pre-proposal conference and site visitation for the Design/Build Family Housing Replacement at White Sands Missile Range, New Mexico. The pre-proposal conference [AM #0001] will be held at the Post Theater (Building 254). This is the same building the FY 04 pre-proposal conference was held in. It has been scheduled for 1400 - 1630 hrs on 20 October 2004. Take Headquarters Avenue (either from the Las Cruces Gate or the El Paso Gate) then turn west on Rock Island Avenue, travel approximately two tenths of a mile and the Post Theater will be on the right. A site visit will immediately follow the conference.

Access to White Sands Missile Range will be delayed between 5 minutes and 30 minutes due to increased security precautions, including the checking of vehicle ID's, vehicle manifests, and the searching of all vehicles. Any general or specific threat to the safety of those working or living at White Sands could result in longer waiting times at the access points to White Sands. Conference attendees are required to One form of picture ID such as a driver's license (issuing state and number), company name and address, a memo from their company's letterhead stating the reason for entry, and the location on base where the conference is located.

At the pre-proposal conference, Government representatives will highlight specific design/build contract requirements not typically encountered in conventional construction procurements. The objective is to provide an information exchange between potential offerors and the Government to avoid the possibility of misinterpretation of the contract requirements. Accordingly, it is highly recommended that prospective offerors attend the pre-proposal conference and, in the interest of making the conference more meaningful, prospective offerors are urged to present any written questions concerning the project proposal documents, bidding, design and construction requirements or other related matters prior to the conference to the address shown in Block 7 of Standard Form 1442 contained in Section 00010, "Solicitation, Offer, And Award (Standard Form 1442)," ATTN: Barbara Zimmer. Questions may also be sent via facsimile transmission prior to the conference to Barbara Zimmer at (817) 886-6407 or email Barbara.J.Zimmer@swf02.usace.army.mil. Written questions may be submitted at the beginning of the conference and oral questions may be submitted from the floor, but answers will be limited to the time available. Written queries need not be signed if anonymity is desired. Answers, interpretations and decisions made at the conference will not become official unless and until verified by an amendment to the contract issued

prior to the receipt of proposals.

Following the conference and pursuant to Contract Clause "FAR 52.236-3, Site Investigation and Conditions Affecting the Work," and the Site Visit Clause in Section 00100 INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS, prospective offerors will be permitted to inspect the site where services are to be performed and to satisfy themselves as to all general and local conditions that may affect the cost of performance of the contract to the extent such information is reasonably obtainable. In no event will a failure to inspect the site constitute grounds for withdrawal of a proposal after receipt of proposal or for a claim after award of the contract.

Potential offerors are requested to advise as to their intent to attend the pre-proposal conference and site visitation by facsimile transmission to Barbara Zimmer at the fax number listed above or by e-mail at their earliest convenience.
